

"OTHER GIRLS DO"

I been there, an' I done that before. I still got a lot of livin' to do.

I'm here, 'cause I opened the door. I don't care what the other girls do.

You think that life is just a joke. I wanna' shake you 'til you choke.

But then you look at me that way. that always makes me wanna' stay...

I been there, an' I done that before. I still got a lot of livin' to do.

I'm here, 'cause I opened the door. I don't care what the other girls do.

I swear, that I'll bite to the core. I'm still fightin' to believe in you.

I'm here, but I can walk out that door. I don't care what the other girls do.

You think that everything is fine. As long as none of it is mine.

It's always darkest 'fore the dawn. Been lyin' to myself too long...(I know)

CHORUS

So open up I'm... shinin' through. There's so much more I wanna' do...
